RE: Brainwave Science, Inc. v. Arshee, Inc. et al Case Number: 1:21-cv-04402-BMC

Dr. Lawrence Farwell's Letter Motion 3

Dear Judge Cogan,

I, Dr. Lawrence A. Farwell, am Defendant (pro se) in the referenced case.

On August 14, 2022 I submitted a Letter Motion to modify the Preliminary Restraining Order (ECF 30).

Said Letter Motion was submitted without any supporting documentation, due to an error in filing documents.

The Court issued a ruling without benefit of reading the necessary supporting documentation containing the relevant facts and arguments.

Today, August 16, 2022, I submitted an Affidavit in Support of said Letter Motion that contained the relevant facts and arguments.

I respectfully request that the Court reconsider the Court's ruling on the Letter Motion in light of the relevant facts and arguments provided therein.

Sincerely,

Lawrence A. Farwell
